

Epidemic / Pandemic Policy Statement for: **Crazy 9 - Mobile Crazy Golf**

Whilst following government guidelines for social distancing our statement of general policy to minimise the risk of spreading an epidemic / pandemic whilst players are on our mobile crazy golf course is as follows:-

We will promote physical distancing between non-cohabitating staff members.

We will promote physical distancing between customers and staff members.

We will promote physical distancing between groups of customers.

We will make arrangements to provide facilities for hand hygiene.

We will promote responsible respiratory etiquette.

We will disinfect all golf balls, clubs, score card holders and pencils before the event takes place and in-between each usage.

Outside of the course perimeter, it is up to the venue to promote their own epidemic / pandemic policy.

Risk Assessment for: Crazy 9 - Mobile Crazy Golf

Date of risk assessment: June 2018

What are the hazards?	Who might be harmed and how?	What are you already doing?	Do you need to do anything else to control this risk?	Action by who?	Action by when?	Done
Slips and trips	Staff and customers using the equipment	Ensure all edges to equipment are properly secured Users are to wear shoes with reasonable grip No trailing cables across access routes Adequate artificial lighting provided by host company				
Person to person contact	During play, persons may collide with each other if the game becomes over-crowded	Teams limited to maximum 4 persons				
Impact from golf balls and clubs	Clubs not handled properly by users hitting others players in close proximity Balls that go off the designated course area	Only people playing crazy golf to be allowed on the course. General rules of play clearly displayed for all users. Users under the age of 8 years old and players with learning disabilities must be accompanied at all times by a responsible adult. Persons under the influence of alcohol or drugs will be requested not to play. Correct and appropriate size clubs to be used by players.				
Manual handling	Setting up and dismantling the equipment	Two persons to carry heavier or random shaped items with no clear handholds				
Adverse weather	Wind and rain can cause unpredictable movement of parts of the course Wet or icy weather can increase the risk of slipping	External use will be suspended in the event of extreme adverse weather or where level of risk is too great				
Moving parts	Entrapment in moving parts or when trying to retrieve trapped golf balls	Accessible moving parts are clearly visible. Motors and other mechanical parts are covered to prevent access Users to summon assistance in the event that golf balls become lodged in moving parts				
Physical or verbal aggression	Boisterous or overly competitive play can result in physical or verbal attacks on other players or the company employees	Crazy 9 will suspend all play or exclude any players identified as being disruptive or threatening
